

M12592RB NEW

- **Engine**
Powerful and reliable Briggs & Stratton engine.
- **Three different cutting systems**
Collecting system is standard but can with accessories easily be converted to either mulch or rear discharge.
- **All year round use**
A wide range of accessories (for instance snow blade, trailer, moss rake etc) makes the tractors versatile and useful all year round.
- **Turbo collection**
A powerful air stream lifts the grass before it is cut. Gives excellent cutting and collection of both grass and leaves.
- **Cast front axle**
Heavy cast front axle provides superior stability also with a collector.
- **Pivoting front axle**
Pivoting front axle ensures good balance and excellent driving comfort also on uneven ground.
- **Collector**
The large, effective collector is perfect for collecting leaves as well as grass. Easily emptied from the driver's seat.
- **Wide rear tyres**
The wide rear tyres provide Good traction and less risk of damaging delicate ground.

PRODUCT SPECIFICATIONS
